To Whom It May Concern:

It is with great pleasure that I am writing this letter of recommendation for Kennedy Gill. I have had the privilege of knowing Kennedy for the past 6 years. During this time, I was allowed the privilege of being her volleyball coach. In the past several years, I have seen so much growth, maturity, and leadership from this young lady. She has a tremendous work ethic, is highly motivated, and is a team player. Even though she carries a heavy class load, she finds time to volunteer and is very active in her church. She gives 110% in every aspect of her life and always has a grateful heart.

Kennedy volunteers at volleyball youth camp, school functions, community events, several church events, and she offers her assistance to anyone in need. She has a servant heart and wants to see everyone be successful. In addition to all her volunteer efforts, school, and sports, Kennedy maintains a high-grade point average and is an excellent student. She works very hard to see that things are completed as they should be and in a timely manner. She takes pride in all her work and goes above and beyond what is necessary to see that others are taken care of. She is a wonderful role model for younger girls, and I see great things in her future.

In closing, I must say that I feel confident that Kennedy Gill would be an excellent candidate for any scholarship opportunity you may have. She will use them to reach goals that will serve the greater good. She is an asset to our community and will be a strong leader in the future.

Sincerely,

Robin McMurtrey
