

WKU GLASGOW

September 26, 2024

To Whom It May Concern:

Please accept this letter of recommendation for Kennedy Gill as a scholarship applicant. There are some people you can truly describe as exceptional. Kennedy is one of those people. Her intellect, work ethic and character combine to create someone who has been and will continue to be a success in life.

As the WKU in Glasgow Early College Advisor, I have worked with Kennedy for the past two years. In 2022 Kennedy was accepted into the WKU in Glasgow Early College program in the agriculture pathway. This prestigious program allows motivated, intelligent students to earn 30 hours of college credit during their junior and senior years of high school in an on-campus college experience with other degree seeking students. As you might imagine, the rigor of this program is extremely demanding and requires students to be both driven and mature to accomplish such feats while balancing their high school course load and activities at the same time.

Kennedy has excelled in this program each semester. She arrives early to class, submits quality work in a timely manner, and continues to be a conscientious classmate; often supporting other students in their coursework as well. Kennedy's instructors continue to praise her work and overall success as well.

A student who is intelligent and works hard is certainly dynamic, but that student will pale in comparison to the one who also has integrity. Kennedy's character is what completes the package. Her faith drives everything she is and does from the way she interacts with people to the work she creates. She is humble, kind, respectful, patient and joyful. She is the type of person who exudes goodness and someone you want as a friend, a student, or an employee.

It is with great enthusiasm that I recommend Kennedy Gill for your scholarship. If you have any questions or concerns, please feel free to contact me anytime. It would be my pleasure to answer any questions you may have.

Sincerely,

Stephanie Prichard
WKU Senior Regional Advisor
